## About us

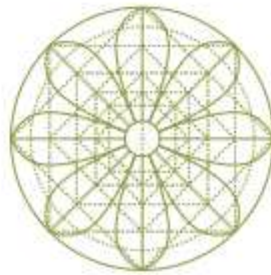

**Harnessing the power of authentic Ayurveda to meet the demands of modern life.**

Purely Yours was started with a vision – to empower lives by transforming the health and wellness of solutions centered on authentic Ayurveda.

Ayurveda – a holistic system of medicine that has been practiced for thousands of years in India, emphasizes the importance of balancing the mind, body, and spirit in order to achieve optimal health. Purely Yours was founded with the passion and purpose to channel the power of this 5000-year-old science and share its benefits with the world.

## What we do?

We have culminated over three decades of expertise of our Ayurveda doctors with the age-old vedic principles – to deliver health and wellness solutions that are pure, authentic, to meet your unique needs.

# Mental Wellness

Your mental health is an essential part of your well-being. It determines how you cope with daily stresses and operate psychologically, emotionally, and socially, among other aspects.

In Ayurveda, mental disorders like depression, anxiety, etc., are not stigmatized but rather categorized by their attributes as per the three doshas – Vata, Pitta, and Kapha, to provide distinct treatment options.

We have synthesized the ancient wisdom of Ayurveda in our range of Mental Wellness products, carefully crafted by expert Ayurveda doctors using clinically proven, certified organic herbs, to restore balance and maintain optimal mental well-being.
